

**A Dream Takes Flight: Seven-Year-Old Receives Her Disney Wish Through Socium Advisors**

*Socium Advisors and Make-A-Wish come together to create a personalized and unforgettable wish reveal for a St. Louis child*

**St. Louis, Mo. – Feb. 17, 2026** – [Make-A-Wish® Missouri & Kansas](#), in partnership with [Socium Advisors](#), a Northwestern Mutual Private Client Group, is excited to announce a wish reveal that will turn one seven-year-old's heartfelt wish into a dream come true following a kidney transplant.

The wish reveal will take place on Feb. 20 at Socium Advisors' St. Louis office, where the team is transforming their space into a magical, kid-centered celebration, complete with Blues tickets, a customized jersey, a few surprise guests and an immersive Ariel-themed moment designed just for Bree.

"Every wish is a powerful reminder of what hope can bring to a child facing a critical illness. Bree's wish to go to Disney World gives her and her family something positive to look forward to after a very challenging journey," said Taylor Rehmer, director of business development. "We're grateful to Socium Advisors for helping create such a thoughtful and meaningful reveal experience. When the community comes together like this, it truly shows what's possible for kids like Bree."

Surrounded by her family, Make-A-Wish volunteers and the Socium employees who helped bring her dream to life, the celebration will recognize Bree's strength and the resilience she's shown throughout her medical journey. Her mom describes her as outgoing, sweet and spunky, qualities that show up in everything from her love of hockey and being outside to watching YouTube or going shopping.

"Our relationship with Make-A-Wish has become a meaningful part of who we are at Socium," said Jeff Schaumburg, chief financial officer at Socium Advisors and vice president of finance for Wish STL, the Young Professionals Board supporting Make-A-Wish Missouri & Kansas. "Supporting the chapter's events has given our team a real connection to the mission, but the wish reveal brings that impact to life in a powerful way. Helping create a moment of joy for Bree and her family is exactly why we stay involved as it reminds us all what hope can do."

When asked what she wished for, Bree chose Disney World, which is a chance for a positive, joy-filled moment. After a long stretch of challenges, Bree is on the road to recovery, making this opportunity with her and her family even more meaningful.

**About Make-A-Wish®**

Make-A-Wish® Missouri & Kansas creates life-changing wishes for children with critical illnesses. We are on a quest to bring every eligible child's wish to life, because a wish is an

integral part of a child's treatment journey. Research shows children who have wishes granted can build the physical and emotional strength they need to fight a critical illness. The local Make-A-Wish chapter is headquartered in Ballwin, Missouri and serves all counties in Missouri and Kansas. Make-A-Wish Missouri & Kansas has granted over 10,750 wishes since its inception in 1983.
